Dear Mr. Morrell:

We wish to thank you for extending the opportunity to our Bureau of Land Management (BLM) Oklahoma Field Office in Tulsa, Oklahoma, to provide comments on the abandonment of 1.22 miles of rail line in Oklahoma City, OK.

Our office has reviewed the information provided in your letter of February 23, 2012, and has no concerns or objections to this proposal. A search of our files showed no BLM managed Federal or Indian minerals in the Area of Potential Effect, nor any Federal land managed by the BLM.

Sincerely,
